

BRS Bursaries for ECTS 2010

The Bone Research Society will offer 40 bursaries of £250 each to members to attend the ECTS meeting in Glasgow 26-30 June 2010.

Applications for a bursary should include a copy of the submitted abstract.

If the applicant receives an award from the ECTS then the BRS must be informed immediately.

If more than 40 applications are received then preference shall be given to younger members of the Society and the BRS committee shall decide, on the basis of the quality of the abstract, who will be awarded a bursary.

If a bursary is awarded the applicant will be expected to attend the BRS AGM held at the meeting (to receive their award) and to clearly state during their presentation that support was forthcoming from the BRS.
