Election and Duties of the Committee

6. The Officers of the Society shall be a President, a President-Elect, an Honorary Secretary and an Honorary Treasurer.
7. The affairs of the Society shall be managed by an Executive Committee consisting of the officers and six other elected members. The Committee may co-opt others if required.

Nominations for the other elected members may be made by the Committee or by any two ordinary members. Call for nominations will be made to all members at least 7 weeks prior to the AGM. All nominations shall be sent, together with the consent of the nominees, to the Secretary so as to reach him/her at least 5 weeks prior to the Annual General Meeting. All elections shall

be held by postal ballot of current members. Ballot papers will be sent to all members at least 4 weeks prior to the AGM with returns to be with the secretary, or nominated representative, 7 days prior to the AGM. Each ballot paper shall be individually numbered and counting shall be by the single transferable vote system. Electors shall mark their choices for election to any office by number (1/2/3 etc.) in order of preference. The single transferable vote system will be used with ordinary elections to the committee arranged as follows. The ballot papers shall be counted, with at least three members of the society present, by arranging the papers so that the candidate with the smallest number of first preferences is eliminated from the ballot. The ballot papers for that candidate are redistributed according to the second preferences expressed. If necessary, a second elimination is made in the same manner as the first until one candidate achieves more than 50% of the votes. That candidate is then elected. If more than one ordinary vacancy on the committee is being filled, the elected candidate's votes are redistributed. In the event that this does not result in the remaining vacancy/vacancies being filled, it may be necessary to perform one or more eliminations of the candidate with the fewest number of votes. The process can be repeated until all vacancies are filled. Ten days or more shall elapse between the dispatch of ballot papers to members and the deadline for their receipt. The deadline for the receipt of ballot papers shall be between 1 and 2 weeks before the AGM so that the results of the election(s) can be announced at the AGM. Faxed votes are unacceptable as is any other form of duplication of ballot papers. If other nominations are not received for the filling of vacancies, the committee's nominees shall be deemed elected.

10. Any ordinary member of the Society who has served as a member of the Executive Committee for at least one year shall be eligible for election as President-Elect, Secretary or Treasurer.
11. The six ordinary members of the Committee shall each serve for a period of three years following which they will not be eligible for re-election to the Committee until two years have elapsed, unless nominated for the post of President-Elect, Secretary or Treasurer.
